

Committees – Member Services Association of Collegiate Business Schools and Programs

Appointment of individuals to all member services committees is by the President of the Association typically upon nomination by the regional officers. The term is three years with one opportunity for reappointment. The composition is intended to be balanced geographically and with regard to the type of institution. The number of members on a committee is not less than nine and not more than fifteen.

The Chair serves a two-year term with the term expiring year shown in parentheses. The Vice-Chair serves one year during the second year of the term of the Chair and then begins a two-year term as Chair.

For more information on the responsibilities of each committee, appointment to a committee, and the operation of all committees, please refer to Committee Policies and Procedures available from ACBSP office and on ACBSP Gateway, www.acbsp.org. This includes the ten Awards and Governance Committees.
